The first version is pretty and the other is VERY pretty. I want to make a poster of the VERY pretty version. ☺

MYA 3 pager:

I agree with John's edit. Now that the text on the IRIS update project is truncated a LOT from previous versions, that part of the text stands out as boxing us in and perhaps causing trouble in the future.

I am not sure if I should have read it again....but I did. I just saw that you sent a FINAL version.....so not so fast! Sorry!

I have some more suggested edits. PLEASE take a look.

Briefing sheet:

Three quick comments--

- 1) Can you edit it a bit to make it "pretty"? It has a LOT of bullets and numbers and colons -- and sub-bullets that are identical to the main bullets.

Deliberative Process / Ex. 5

Attached is a revised version of the MYA that has Tom's and Lynn's edits. Also attached is a shortened briefing sheet with some new bullets on IRIS update, the assessment needs evaluation, and archiving pesticides on IRIS. I think the MYA is DONE but if people have any suggestions on the briefing sheet today or Monday, that would be good. Thanks!

Subject: IRIS - Follow up from last week's briefing with Tom

Hi Vince,

Following up from the IRIS briefing on June 24, Tom has the following recommendations for the IRIS Multi-Year Agenda.

1. **Deliberative Process / Ex. 5**
- 2.

Deliberative Process / Ex. 5

Tom would like to fill the Administrator in on these plans. After you make these changes to the document, please put together a concise summary of the multi-year agenda, with the main points highlighted in bullets (suggest aiming for a half page in plain language).

Deliberative Process / Ex. 5

Please let me know if you have any questions.
